

Artwork instructions

Use green safety line to position the print.

Let the bleed fill beyond the red outline.

Convert text to outlines.
Use high resolution images, preferably 300 dpi.
Use vectorized logotypes.
Specify pms colors for spot colors.

Save print ready pdf, preferably PDF/X-1a, Fogra 39.

- total print area = artwork area
- final product after sewing
- safety area, place logos and important elements to avoid seams
- required production line, only for Spennare use
